The chapter surveys results are in. Ed Buc our secretary has compiled the results and it will be on the chapter web site. If you don't have web access, I will have some copies at the next meeting. I would like to take this opportunity to thank all of the members who took the time to fill it out.

Because of the survey, the chapter 47 board has agreed to give **FREE** mart tables to any chapter member for the entire year. We want to help stimulate the mart and by giving free tables we hope this helps.

I have been working very hard over the last few months with a number of issues.

- First, we will be voting on a new set of bylaws for our chapter. We will be having a short meeting before the January program to discuss the changes and will vote on them at the March meeting.
- Second, all the mart dates are set for the year. We will NOT be changing these dates so make note of them. Our program chair, Craig White has put together all the programs for the year.
- Here are the dates and programs; it is also at the web site.

- (1) Jan17 Don Brown - Japanese Clocks
- (2) Mar 7 Craig White - Iron & Steel used in Clock Construction 17th & 18th Centuries
- (3) May 2 Auction
- (4) Sep 19 Ed Buc - Coakley Clock
- (5) Nov 7 David Lee - Barometer Part II

I have decided to do something a little different at one of our meetings. We will be trying to have a chapter auction at our May meeting. For as little as one dollar per item, you can put something in the auction. I'm hoping to get around 100 items for this auction.

Give it some thought and we can discuss it at the next meeting.

The board will be approached by chapter member Bill Galinsky to talk about German Fest. The board will make a discussion and present it to the membership. More info later.

Hope to see you at the next meeting,
Mike
