MESSAGE FROM THE PRESIDENT

Welcome back to Chapter 47, I hope everyone had a great summer. I had a chance to attend the NAWCC National in Kansas City this summer, and it was a great show. I found a couple of clocks that needed a new home so I brought them home. NAWCC National is still on track to be held in Milwaukee in June of 2014.

The Midwest Regional was a great success again, with Chapter 47 taking care of the registration table. Thanks to Dan and Amelia Osterud and Sue White for help in keeping the registration table moving. Marion Krajewski did a great job again making the show a great event to attend. Marion has retired from running the Midwest Regional and no one has come forward to take her place. If someone does not come forward, there will not be a Midwest Regional next year. If you are interested or know someone who may be interested, please contact me.

If anyone is interested in giving an educational talk at a future Chapter 47 meeting please contact me.

September's educational talk will be given by Ray Fanchamps on Skeleton clocks. Bring your skeleton clock (or clocks) to show members examples of these interesting timepieces.

Future educational talks planned are as follows:

September 'Skeleton Clocks' by Ray Fanchamps

November 'Watches for the Turkish Market' by Danno Osterud

Thank you,
Craig White

Spot a Clock—This is the first in a periodic feature. As we all know, Milwaukee is a town of clocks. Each newsletter will include a picture of a clock from around town. Can you guess where the clock below is located? The answer will be posted at the September meeting, by the coffee.
