President's Message

The November Meeting will bring our election for new chapter officers for the next 2 years. Contact our election committee (Mike Dempsey) if you would like to volunteer or know a little more about what is involved in the various positions. We always need more help in running the meetings and events, so please help to make this the best NAWCC chapter.

Accutron Watches will be discussed by Mike Dempsey in our educational program in November. We are trying to get subjects for next year's talks scheduled. Let me know what you would like to learn more about and I will try to get someone to speak about it during one of next year's talks. Or, if you are willing to put a talk, let me know. We have many members who have a lot to share and we would like to hear from them.

Next year's meeting schedule has been set follows:

January 20, 2013

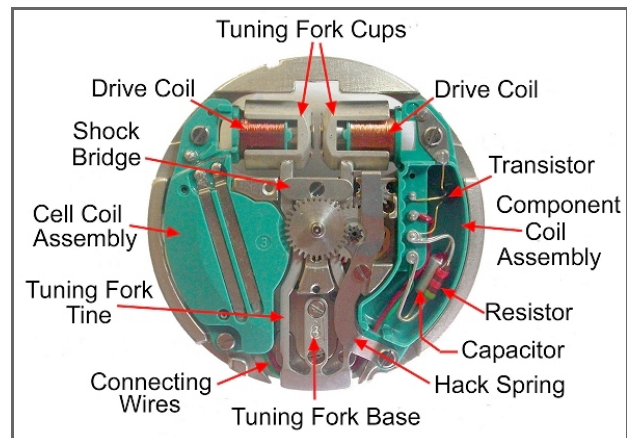

March 17, 2013 (Auction)

May 5, 2013

September 22, 2013

November 17, 2013

Thank you,
Craig White

Field Suitcase Workshops: We have received only a couple of responses from the notice in the last newsletter for a field suitcase workshop class. The FSW program is one of the many benefits of NAWCC membership. In summary, an instructor comes to us, and runs a 2-4 day course of our choosing. To get a class in our area, we need a minimum (7 to 9) number of students. We are considering hosting one of the following courses:

- F301—Introduction to Basic Pocket Watch Repair: The American Pocket Watch
- F302—Introduction to Basic Wristwatch Repair
- F101—Introduction to Basic Time & Strike—The American Kitchen Clock
- F200—Fundamental Skills for Lathe and Clock Repair

If you are interested in a course, please email Ed Buc at timecraft_wi@yahoo.com or speak with him at a meeting. We will schedule the first course that generates a student list meeting the minimum class size. For more information on the FSW program and a full list of courses, please check the NAWCC website.

Spot a Clock— The next several months will feature clocks seen during the recent 'Doors Open Milwaukee' event. This was the second year for this event, which allows members of the public a unique opportunity to enter interesting buildings across the city, from historic churches to the BMO Harris Bradley Center. During the 2012 event, over 15,000 people visited 125 buildings.

Can you guess the location of the 'clock' below? The answer will be posted at the November meeting, by the coffee.
