President's Message

The January educational lecture was given by Bill Galinsky on clock case carving. The talk was very informative, with Bill actually carving a few examples. Bill also discussed methods for finishing the replaced pieces so the repairs become almost invisible.

We have closed the Chapter 47 library. During the January meeting

most of the old Bulletins and hard-bound copies found a new home. A few Bulletins remain and will be available at the March meeting. The books will be sold at a later date.

The NAWCC 2014 National will be held in Milwaukee on June 17-21. Signup with me to help at the National and support the National and our Chapter.

The March guest speaker will be Jerry Kieffer from Madison Chapter on Machine Tool Lathes and a demonstration using a Sherline Lathe.

Bring along any questions for Jerry or a part you were wondering how to make on a lathe. Bring any interesting lathes or lathe tools along for others to see and discuss as well.

Thank you,
Craig White

Spot a Clock—Last month's "clock" was the logo for the 2014 National Convention, to be held in Milwaukee. The logo features a Schwalbach clock movement. This month's spot-a-clock photograph is also a Schwalbach clock.

Can you guess the location of the clock below? The answer will be posted at the March meeting, by the coffee.
