President/Vice President Message

Bruce Shawkey presented "The Golden Age of the Swiss Wristwatch", based on his latest book (available at brucesvintagewatches.com), at the November meet-Manv Swiss wristwatch ina. brands came out after World War Il to meet the pent-up demand. Some are well-known brands and

others are obscure. Bruce showed many beautiful vintage ads for these watches. Many of these watches are highly collectable, highquality, and available at reasonable prices. The talk was followed by enthusiastic questions and answers.

The January talk will be by Rich Newman, our current NAWCC Chairman of the Board. He will be discussing watch papers.

Further educational talks planned for 2020 are:

March – Danno - Watch Tools

May – Mike Dempsey - Watch- and clock-making tools demonstration.

September – Craig White - Strasbourg Astronomical Clock November - To be determined

If you are interested in presenting an educational talk in November or in 2021, please talk with Harry Schulz.

Thank you,

Craig White Harry Schulz

Education Program Update

As readers may recall, we published a story in our May 2019 newsletter regarding the Antique Clock Repair class at Waukesha County Technical College (WCTC). Despite efforts to save it, WCTC decided to eliminate the Antique Clock Repair class for 2020. This follows the elimination of the clock, watch and jewelry courses at Milwaukee Area Technical College several years ago.

The following is an update provided by our membership:

Antique Clock Repair Class Moves to Pewaukee for Spring 2020

Thank you for your support last spring to keep the WCTC clock repair class going. While WCTC decided to eliminate the class, there is good news! The Pewaukee Parks and Recreation Department is taking over hosting the class.

During Spring 2020, the class will meet 12 weeks beginning the first week of February. For more information, and class registration, go to Pewaukee.activityreg.com or contact the Pewaukee Parks and Recreation Department at (262) 691-7275.

NAWCC Educational Programs

As a reminder, educational programs are available through the NAWCC as one of your membership benefits. Education options include:

- \Rightarrow Webinars
- \Rightarrow On-Line Classes
- ⇒ Live Classes at NAWCC's headquarters
- \Rightarrow The annual Ward Francillon Time Symposium
- \Rightarrow Chapter 179, the Education Travel Chapter
- ⇒ Lectures and Exhibits at the National Convention. The 2020 National Convention will by in Dayton, Ohio.

See <u>https://nawcc.org/index.php/main-education</u> for information on NAWCC's educational programs
